# Mrs. Cornelius Vanderbilt Jr.

## *is Young.....Entrancing.....Beautiful...*
## *as the world expects her to be*

ENTRANCINGLY beautiful as this romantic world would wish her to be is Mrs. Cornelius Vanderbilt Jr.

Slim as a forest nymph, with glorious Titian hair, and a skin as fresh and fair as hawthorn blossoms, this young bride on whom all eyes are turned is winning all hearts with her charm.

With true American flair for chic her taste in dress is unfailing. In smart, close-fitting black for town, in beige-brown country tweeds, in the pale peach and ivory chiffons she wears for evening, her willowy beauty presents a series of lovely pictures ever varied, ever fascinating.

Modern to the tips of her slim white fingers, Mrs. Vanderbilt is ever on the wing. In a Maine camp . . . in Provincetown with artists and writers . . . flitting through New York shops . . . then en route for the Far West in the big custom-built car which has crossed the continent 28 times . . . At last to "Sagebrush," the Vanderbilt ranch in Nevada, where much of her husband's writing is done.

Always she shares his work, his constant comrade and chum. The carefree life of the Western desert country delights them both. All day long they motor or ride horseback over the rolling hills. Mrs. Vanderbilt is a crack shot with rifle, shotgun or revolver, and she can rope a steer as cleverly as any cowboy.

Despite her outdoor life, her constant travel, she has found the way to guard the flower-like freshness of her complexion.

"Even on our Nevada ranch," she says, "I have my daily 'facial'—with Pond's.

"One can keep one's skin really young and lovely with just these Two marvelous Creams, the exquisitely fine Tissues, the wonderfully invigorating Tonic. I'm devoted to Pond's!"

WHEREVER you go, this simple daily treatment will preserve the perfect fitness of your skin:—

First, keep your skin immaculately clean by pore-deep cleansing, after exposure and every night before

retiring. Spread Pond's Cold Cream lavishly, with upward outward motion over face and neck, letting the fine oils sink deep below the skin.

Then gently remove the dirt and cream with Pond's deliciously soft Cleansing Tissues. They economize towels and laundry and absorb the cream and dirt instead of rubbing it into the pores.

Next, pat Pond's Skin Freshener over your face and neck—until the skin glows. This wonderful new tonic and mild astringent closes the pores, tones, refreshes and invigorates.

Last, to complete your daytime toilette, and before you dress for evening, just a thistledown touch of Pond's Vanishing Cream for protection and as a powder base.
